# Lincoln County Living

## The official "quality of life" publication of Lincolnton and Lincoln County.

The Lincolnton-Lincoln County Chamber of Commerce is pleased to announce our partnership with CURRENTS magazine to produce this beautifully designed annual publication depicting our culturally diverse, economically impactful, family-friendly hometown we so proudly call home.

Advertising your business in this full color, glossy magazine will enable you to reach newcomers as well as long-time residents of our area and those interested in either moving their residence or their business here. Distribution will include all major real estate offices as well as major hotels in the area. The Chamber office will exclusively distribute Lincoln County Living in their newcomer packets as well as make them available at the office and at Chamber events. The CURRENTS staff will deliver copies to the nine North Carolina welcome centers and make them available at various high traffic locations throughout the Lincolnton-Lincoln County area. 5,000 copies of Lincoln County Living will be distributed throughout the year.

The online version of Lincoln County Living will be available at [www.LivingInLincolnCounty.com](http://www.LivingInLincolnCounty.com). Browsers can then read the entire publication online, full screen and just one click on your ad will link them directly to your business' website. This unique website will also allow you to search for various topics included in the publication and even email points of interests to your friends and business associates!
