

Lake Norman's Official Visitors' Guide

(the only visitors' guide endorsed
and approved by Visit Lake Norman!)

"Visit Lake Norman is excited to be working with Lake Norman *CURRENTS* magazine to develop our own comprehensive Visitors' Guide for the Lake Norman area. This exclusive 5"x8" full color, glossy publication will include listings of area hotels, restaurants and attractions, in addition to locator maps, annual events, and group services offered to those visiting Cornelius, Davidson and Huntersville. Ten-thousand copies of this official Lake Norman Visitors' Guide will be distributed inside our Visitor Center, at nine N.C. Welcome Centers and at 19 local hotel properties. It will also be available at our information booth during events and will be used as a sales piece at tradeshow we attend to recruit sporting events, motor coach tours and other groups considering the Lake Norman area.
